### Introduction

This booklet provides a list of Senior Dimensions' network pharmacies and includes some basic information about how to fill your prescriptions with Senior Dimensions. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review the Evidence of Coverage.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to Plan members. A network pharmacy is a pharmacy where beneficiaries obtain prescription drug benefits provided by Senior Dimensions. In most cases, your prescriptions are covered under Senior Dimensions only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one, you are not required to continue going to the same pharmacy to fill your prescription, you can go to any of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described later.

### **Can the list of network pharmacies change?**

Yes, Senior Dimensions may add or remove pharmacies from our pharmacy directory. To get current information about Senior Dimensions network pharmacies in your area, please visit our Web site at [www.seniordimensions.com](http://www.seniordimensions.com) or call our Member Services department at 702-242-7301 or 800-650-6232. Hours of operation are:

- **From November 15, 2007 through March 1, 2008** - 7 days/week from 8am to 8pm
- **From March 2, 2008 through December 31, 2008** - Monday through Friday from 8am to 8pm Calls on Saturday, Sunday and holidays will be received by our automated phone system (where you can leave a detailed message, and a representative will return your call as soon as possible). Thank you

### **How do I find a Senior Dimensions network pharmacy in my area?**

Within this Senior Dimensions pharmacy directory you will find network independent plan pharmacies sorted by county, city and name (with addresses and phone numbers listed). Names of network chain plan pharmacies within your service area are also listed. For specific location information of a chain plan pharmacy please contact the chain pharmacy number listed within this directory. Or, you may visit our Web site at [www.seniordimensions.com](http://www.seniordimensions.com) or call our Member Services department at 702-242-7301 or 800-650-6232. Hours of operation are:

- **From November 15, 2007 through March 1, 2008** - 7 days/week from 8am to 8pm
- **From March 2, 2008 through December 31, 2008** - Monday through Friday from 8am to 8pm Calls on Saturday, Sunday and holidays will be received by our automated phone system (where you can leave a detailed message, and a representative will return your call as soon as possible).

### **How do I fill a prescription at a network pharmacy?**

To fill your prescription at a network pharmacy, you must show your Senior Dimensions Member ID card. If you do not have your ID card with you when you fill your prescription, you may have to pay the full cost of the prescription (rather than paying just your co-payment). If this happens, you can ask us to reimburse you for our share of the cost by submitting a claim to us. To find out how to submit a claim, look in your Evidence of Coverage or call our Member Services department.

### **How do I fill a prescription through Senior Dimensions' mail order pharmacy service?**

To get order forms and information about filling your prescriptions by mail, you will be required to complete either an Express Scripts, Inc. (ESI) or Walgreen's mail services form which has been provided to you in your Senior Dimensions enrollment packet. If you did not receive either

of these forms with your enrollment packet, you may contact our Member Services department at 702-242-7301 or 800-650-6232 to request a form be mailed to you directly. You may also contact ESI directly at 888-618-8258 (TTY/TDD 800-305-5376) or Walgreen's directly at 800-489-2197 (TTY 800-925-0178) and request a form be mailed to you. The appropriate steps on how to obtain your medications via mail are provided on these forms. Please note that you must use the Senior Dimensions mail order service. Prescription drugs that you get through any other mail order service are not covered.

You can use either one of the Senior Dimensions mail order services to fill prescriptions for any drug that is considered a mail order medication. Mail order medications are those that you take on a regular basis for a chronic or long-term medical condition, and are listed as preferred on the Preferred Drug List (PDL). This includes all brand or generic medications **without** a requirement for "prior authorization (PA)" or a "step therapy (ST)" for coverage. If the medication is considered preferred, but requires prior authorization or step therapy, it must first meet these requirements before being filled through mail order. The formulary list tells you which drugs are considered preferred, thus may be received through mail order, and those that are considered non-preferred and are not available through the mail order benefit.

When you order prescription drugs by mail, you must order a 90-day supply (3-month supply).

You are not required to use mail order prescription drug services to obtain an extended supply of maintenance medications. Instead, you have the **option** of using a preferred retail pharmacy in our network to obtain a supply of maintenance medications. Some retail pharmacies may agree to accept the mail order reimbursement rate for an extended supply of medications for **up to 90 days** per dispensing, which may result in no out-of-pocket payment difference to you. Other retail pharmacies may not agree to accept the mail order reimbursement rate for an extended supply of medication. In this case, you will be responsible for the difference in price. Please look in the Evidence of Coverage or call our Member Services department for more information.

The maximum expected turnaround time for the processing and shipment of mail orders is approximately 14 days. Please be aware of this turn-around time, and request refills early enough to leave time for your refills to be processed and sent out to you.

Also, please be sure to inform ESI or Walgreen's mail order services if your address changes before your next order. Senior Dimensions does have a policy that allows you to obtain a 30-day supply retail fill **if** you have not received your mail order shipment *within 14 days* of the claim being processed. If this occurs, contact the mail service provider you are using and request a replacement fill.

### **Filling prescriptions outside the network**

Generally, we only cover drugs filled at an out-of-network pharmacy in limited, circumstances when a network pharmacy is not available. Below are some circumstances when we would cover prescriptions filled at an out-of-network pharmacy. **Before you fill your prescription in these situations, call our Member Services department to see if there is a network pharmacy in your area where you can fill your prescription.** If you do go to an out-of-network pharmacy for the reasons listed below, you may have to pay the full cost (rather than

paying just your co-payment) when you fill your prescription. You can ask us to reimburse you for our share of the cost by submitting a claim form. You should submit a claim to us if you fill a prescription at an out-of-network pharmacy as any amount you pay will help you qualify for catastrophic coverage. To learn how to submit a paper claim, please refer to the paper claims process described next.

Senior Dimensions will not cover prescriptions filled at an out-of-network pharmacy.

### **How do I submit a paper claim?**

When you go to a network pharmacy, your claim is automatically submitted to us by the pharmacy. However, if you go to an out-of-network pharmacy for one of the reasons listed above, the pharmacy may not be able to submit the claim directly to us. When that happens, you will have to pay the full cost of your prescription. If you pay for any emergency services obtained from an out-of-network pharmacy, you may contact our Member Services department for a Direct Member Reimbursement form, or print a copy of the form from our web site at [www.seniordimensions.com](http://www.seniordimensions.com). The form must be completely filled out in order to process your claim(s) and must include a reason for using a non-network pharmacy. Remember to sign and date the form and attach both the prescription receipt(s) and the cash register receipt(s) to the form. Mail the form with the attachments to: **Senior Dimensions / Pharmacy Services – Attn: Claims Administration – PO Box 15645 - Las Vegas, NV 89114.**

### **For more information**

- **From March 2, 2008 through December 31, 2008** - Monday through Friday from 8am to 8pm Calls on Saturday, Sunday and holidays will be received by our automated phone system (where you can leave a detailed message, and a representative will return your call as soon as possible).

**Are long-term care pharmacies part of Senior Dimensions' pharmacy network?**

Long-Term Care pharmacy services will be covered by Senior Dimensions only through a contracted Long-Term Care pharmacy. You may contact our Member Services department at 702-242-7301 or 800-650-6232 to find a contracted Long-Term Care pharmacy in your area.

**Are Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies part of Senior Dimensions' pharmacy network?**

Only Native Americans and Alaska Natives have access to Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) Pharmacies through Senior Dimensions' pharmacy network. Those other than Native Americans and Alaskan Natives may be able to access these pharmacies under limited circumstances (e.g. emergencies).

Indian Health Service / Tribal / Urban Indian Health Program (I/T/U) pharmacy services will be covered by Senior Dimensions only through a contracted I/T/U pharmacy. You may contact our Member Services department at 702-242-7301 or 800-650-6232 to find a contracted I/T/U pharmacy in your area.
